ROLL OF HONOR

Interest Increasing—Clinton School No. 4 Shows Patriotism—Fayette People at Work—List of Subscribers in Wauseon and Vicinity. Get on the Roll.

The Roll of Honor continues to grow longer and slowly but surely the fund for the Soldiers Monument increases. Since our last issue the secretary has received from Clinton school No. 4, Miss May Williams, teacher, four dollars; this amount the pupils had in their treasury. It was money which had been raised by the pupils by a social and the pupils voted unanimously to contribute the amount to the monument fund.

The Fulton County Soldiers Monument is to be erected on the corner of the court house grounds. Every citizen of Fulton county will be proud to know he has a hand in this achievement. It will be a lasting honor and credit to every man, woman or child who becomes a contributor. Every person subscribing one dollar or more will receive a beautiful memorial certificate of membership, which will not only be a thing of beauty, but a joy forever. A little or just what can be afforded will be accepted with thanks. The thing has got to be done and Fayette and vicinity will not know it until a back issue of the Tribune is received. Commencing Jan. 23rd, Dr. E. H. Rooker and C. L. Allen will give every blessed one of you an opportunity to join the movement. It will be a personal one and we know you will all respond.

Following is the Roll of Honor as it now stands. The first names mentioned are those who have previously been published.

POSTMASTER

At Wauseon Is Still a Republican—Democratic Appointment Held Up—On Account of Disagreement of Congressmen.

Owing to the fact that we do not consider it real nice society manners to meddle in a family quarrel unless it is in our own family, we have had nothing to say in regard to the unpleasant situation which seems to have arisen between Congressmen Sherwood and Ansberry regarding the appointment of a postmaster at Wauseon to succeed J. P. Outcalt, whose commission expired Monday, February 9th. Up to date we have not learned that any appointment has been made and inasmuch as the present incumbent is a Republican and a member of our own political family, we've "nuthin' 'tall to say."

Word left with either of the Republican editors, if you are contemplating attending the meeting, will be appreciated. I am, Yours for harmony and victory.

Mr. Sherwood has recommended Emil Weber for appointment as postmaster at Wauseon. The Democrats at Wauseon are not agreed as to whether they will support the appointment of Weber. Mr. Ansberry has evidently listened to objections filed with him by members of his party in Fulton county and opposes the appointment of Weber. There seems to be no disposition on the part of the Postmaster General to forward the appointment of a Postmaster at Wauseon until the Congressmen have come to an agreement in regard to the matter and in the meantime time is being wasted in the hands of the Republican postmaster and the mails come in and go out of Wauseon just as though nothing was happening.

LETTER TO REPUBLICANS

Fellow Republicans:
The following letter will explain itself. We shall find out what arrangements can be made as to rates, and advise you later. There seems to be a veritable tidal wave of denouncement of the gross incompetency and extravagance of the Cox administration, and the people turn again, as it has so often in the past, to the party of Lincoln, of Garfield and McKinley, for relief. It matters not if we be conservative Republicans, progressive Republicans or radical Republicans, we owe it to the memories of our illustrious dead and to the call of the present for riddance of those who would "Tammanize" our great state, to make common cause against the common enemy.

Word left with either of the Republican editors, if you are contemplating attending the meeting, will be appreciated. I am, Yours for harmony and victory.

APPROPRIATION

Representative Ansberry Introduces Bill in House of Representatives to Appropriate \$65,000 for the Erection of a Post Office Building in Wauseon.

By the redistricting of the state last April Fulton county was taken out of the ninth congressional district and placed in the fifth district. Mr. Sherwood was elected in 1912, before the act of redistricting the state was passed as congressman from the ninth district which then included Fulton county and Mr. Ansberry for the fifth district. Mr. Ansberry will, as a candidate for re-election, have to look to Fulton county for the support of his party in this county, as it is now a part of his district. This explains, in some part at least, Mr. Ansberry's interest in this county as demonstrated by his action last Friday when he introduced the bill in the House of Representatives to appropriate \$65,000 for the erection of a post office building in Wauseon. Whether or not the bill will pass is a matter of conjecture as is also the possibility of securing the necessary vote to carry the bill, but whatever may happen to the bill, Mr. Ansberry has shown that he is "on to his job" and does not intend to lose a county like Fulton to the opposition.

A Bill Providing for the erection of a public building at Wauseon, in the State of Ohio.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury be and he is hereby, authorized to purchase, acquire, by condemnation or otherwise, a site or cause to be erected thereon a suitable building, with fireproof vaults thereon, for the use and accommodation of the post office in the city of Wauseon, State of Ohio. The plans, specifications and full estimate for said building shall be prepared and approved according to law, and shall not exceed, for the site and building complete, the sum of \$65,000, which sum is hereby appropriated out of any money in the Treasury not otherwise appropriated. Provided, That no money appropriated for the purpose shall be available until the title to the site of the said building shall be vested in the United States.

Of Facts Concerning Fulton County Business Index and Clinton S. Kimes—Of Interest to Some of the Business and Professional Men of the County.

We have received many inquiries from business men over the county by phone and mail, in regard to Clinton S. Kimes and a Business Index of the county for the year 1913. The business men of the county during the last six months of 1913. Most of the inquiries which came to us from the county for which Kimes solicited the business men of the county during the last six months of 1913. Most of the inquiries which came to us from the county for which Kimes solicited the business men of the county during the last six months of 1913. Most of the inquiries which came to us from the county for which Kimes solicited the business men of the county during the last six months of 1913.

Some time last August the Mr. Kimes referred to, came into our office, introduced himself and stated that he was about to compile a business directory of Fulton county; he showed as card board directories of other counties in the state in which he had done work of the kind and a copy of a Putnam county paper in which such a directory was printed, explaining that his plan was to have the directory published in one of the county papers in one issue and to furnish to his subscribers a quantity of the card board directories for distribution over the county; he asked us for a price on such a directory, he to furnish the plates from which the directory was to be printed. We gave Mr. Kimes our price which he accepted and said that he would publish the directory in the Tribune. The Tribune entered into no contract with Mr. Kimes, other than the agreement to publish in the paper the directory from plates furnished by Kimes at the price for space which was agreed upon. Mr. Kimes was working on his own responsibility and the Tribune assumed no other responsibility than to publish the directory in the paper when Mr. Kimes furnished the plates for the same.

Mr. Kimes worked in the county some time in December; some two or three weeks after he had done his work he came into the office and asked us if we would have any objection to his, Kimes, taking subscriptions for the Tribune, as he might have opportunity, we answered that we were willing that he should take such subscriptions.

Along in the latter part of December we began to receive inquiries from various persons in regard to Mr. Kimes and the directory and with them came the intimation that he had led people to believe that he was working for the Tribune in making the directory and that the Tribune was back of the project.

We had not seen Mr. Kimes for a number of weeks nor had we heard of him whereabouts and in order to locate him we instituted inquiries through the Western Newspaper Union. We learned that he had been getting his plates made and card board charts printed by the Cincinnati branch of the W. N. U. and that his business relations with them had been satisfactory up to 1913 when he had plates made for a directory for Paulding county for which he had not paid and which were still on their hands. Last week we learned that Mr. Kimes was in Seneca county and on the 11th of J. F. Fields a warrant was issued for his arrest on a charge of obtaining money on false pretense. Sheriff McQuillin immediately wired the Sheriff of Seneca county to apprehend Kimes and on Friday made the trip to Tiffin and brought Mr. Kimes back with him. Saturday night Mr. Kimes telephoned county phoned Mr. McQuillin that there were two indictments against Mr. Kimes in Paulding county.

Monday morning at a hearing before Justice Deyo, Kimes was bound over to the Grand Jury and failing to furnish bonds was remanded to the county jail to await the convening of the Grand Jury in March. Mr. Kimes was not acting for the Tribune in collecting money for advertisements in the county business directory or index and was not authorized to state that the Tribune was back of that enterprise in any way except as the paper which the directory was to be printed, when he Kimes had completed it. Kimes claimed at the hearing that he intended to publish the directory and issue the card board chart for Fulton county in Seneca county he could get money enough to do so; that he had not been very successful in Fulton county and that he had not been able to fill his contracts because of lack of money.

For a number of years he was in the business in this city. About four and one-half years ago they removed to Toledo. Frank and his mother returned to Wauseon about two years ago and made their residence on Clinton street. His mother and sister, Mrs. A. C. Baxter, of Pasadena, Cal., cared tenderly for him during these last, for him hard weeks of suffering. He knew that the end was near, faced it manfully and made arrangements for the simple funeral services which were held from the Clinton street home Monday at one o'clock. Rev. Klempel of the Lutheran church conducted the service and the interment was made in the Pettiville cemetery. Six young men, Frank and Will Haumesser, J. H. Wells, Charles Mattison, George Hallauer and Otto Funkhouser, all of whom had been close friends of Mr. Wenger, bore his body to its last earthly resting place. He is survived by his mother, his brother, Charles of Toledo, and a sister, Mrs. A. C. Baxter, of Pasadena, Cal.

Those present at the funeral from out of town were Mrs. Chas. Krickham, Mr. Ed. Fell, Mrs. T. J. Hacker, Mrs. J. N. Mentel, Mr. Charles Wenger, Jr., Mrs. Troutwein, Mrs. Gass, Mr. J. C. Fowler, Mr. H. Layman, Mr. Frank Palm, Mr. Chas. Yerke, Mr. Ed. Wenger, Mrs. Ed. Louie Miller and wife Mrs. Chas. Wenger and family, Mr. Chas. Bowen, Mr. James Tyl, Mr. and Mrs. Fred Fell, Mr. and Mrs. Chas. Kaufman, and Mr. Fred Kaufman and wife, all of Toledo.

Diamond Edge Saws

are built up to the minutest fraction of the skilled mechanic. Not only are they made of the best material; finished, polished and filed by hand to a needle or Diamond Edge point, but they are "Handled" to a hair's breadth that they may "line" and "bite" just right. They thin from deep shoulder to point and from teeth to back, so that the smallest set is required. The less set in a saw the less muscle necessary. Diamond Edge Hand Saws are thoroughbreds in line, class and style.
